Dear Parents/Guardians,

Each year PSUSD surveys students, families, and staff on a variety of topics. These survey results help our school and the district understand how well things are working and in what areas we can improve services for students. The PSUSD Family Survey contains items about school climate and to rate actions and collect ideas for our district's Local Control Accountability Plan, or LCAP.

We want to hear from you! It is our school's goal to have as many families as possible complete this year's survey, and we need your help in meeting this goal. The survey should take 10-15 minutes to complete, and can be completed on a smartphone, tablet, or computer using the link below or by scanning the QR code on this letter.

Both surveys are available from January 27th through March 14th. If you have any questions about this year's surveys, please contact your child's teacher or the office. We look forward to hearing from you in this year's surveys!

Sincerely,

*Michael Ventura*
